

SUDHIR FASTENERS

"Since 1983, SUDHIR FASTENERS has been engaged in the manufacturing and marketing of cold forged fasteners and engineering assemblies. Today, we are among the leading OEM suppliers in India . We attribute our success to our competent workforce, engineering prowess and a culture of continuous improvement that has helped us emerge successful over the years. It is through these core values we are able to achieve our vision of corporate growth and process and product excellence to exceed customer expectations".
